Old Chicago Antiques Thin or Full Size ** In Stock **

Division 04 Masonry, Section 04 21 13 clay facing brick

This brick has a textured, rustic appearance signs of weathering, minor chipping and historic distressing. Mix of soft oranges, dusty roses and terracotta with some yellowish tones and specks of black perfect for a rustic modern look. Disclaimer: Because these are reclaimed used bricks, variations and imperfections are to be expected and add to their character. Bricks may...

Storage & Handling

Store dry, covered, elevated from grade. Protect from job site contamination

Mortar Recommendations

Use mortar type and joint profile specified by the design professional. Mockups are recommend

Notes

1. **Identify the Correct Face Side: ** Ensure you distinguish between the face and the sawn back side of the brick. The correct face will feature a fired clay surface with remnants of used mortar, typically displaying variegated colors, some with texture or paint. 2. **Achieve a Uniform Blend: ** Always draw brick from multiple sleeves simultaneously to achieve a well-blended appearance. 3. **Clean the Bricks Thoroughly: ** Wash each brick on both sides before installation. Although the bricks undergo rinsing after cutting, some dust may remain. 4. **Plan Your Layout: ** Arrange the bricks on the floor according to how you'd like the colors to blend on the wall. Instruct your installer to follow this pattern. 5. **Utilize Broken Brick: ** Use any broken brick from the shipment for end cuts. Since used bricks may arrive with a few broken pieces, we include extras...
